SPLUNK FLEDGE APP

END-USER LICENSE AGREEMENT (EULA)

Last updated: 1 Oct 2026

This End-User License Agreement ("Agreement") is a legally binding contract between **ALG Innovations LLP** ("Licensor") and the individual or legal entity ("Licensee") acquiring the right to use the Software. By installing, deploying, copying, or otherwise using the Software, Licensee agrees to be bound by the terms of this Agreement.

1. DEFINITIONS

- **"Software"** means the server-based software product SPLUNK FLEDGE APP provided by Licensor, including any updates, patches, bug fixes, or documentation provided during the subscription term.
- **"Installed Instance"** means a single operational execution of the Software installed, deployed, or running on a single physical server, virtual machine (VM), container (e.g., Docker), or Splunk cloud-based virtual node.
- **"Subscription Term"** means the period of 1 (one) calendar year starting from the date of purchase or renewal, during which the Licensee is authorized to use the Software.

2. LICENSE GRANT & LICENSING METRIC

- **Per-Instance Licensing:** Subject to the terms of this Agreement and timely payment of the applicable subscription fees, Licensor grants Licensee a non-exclusive, non-transferable, revocable, limited license to download, install and use the Software.
- **Scope of Metric:** A separate license must be purchased for **each individual Installed Instance** of the Software.
- **Deployment Flexibility:** Licensee is permitted to deploy each authorized Installed Instance either:
    - **On-Premise:** On physical hardware or private virtual infrastructure owned, leased, or directly controlled by Licensee.
    - **Cloud Environment:** On virtual infrastructure hosted by Splunk Cloud solely for Licensee's internal business operations.

3. SUBSCRIPTION TERM, RENEWAL, AND TERMINATION

- **Term:** This Agreement is valid strictly for a **1 (one) year Subscription Term**.
- **Renewal:** To maintain continuity of service, the subscription must be renewed annually by paying the then-current subscription fees prior to the expiration date.

- **Effect of Termination:** Upon expiration or termination of the Subscription Term without renewal, the license granted herein automatically terminates and may result in the termination of access to the Software. Licensee must immediately cease all use of the Software and permanently delete or uninstall all Installed Instances from all servers and cloud environments.

4. TRIAL EVALUATION LICENSE

- **Trial Grant**: If Licensee register for a trial or evaluation period, Licensor grants Licensee a temporary, non-exclusive, non-transferable, and revocable license to install and run 1 (one) Installed Instance of the Software strictly for internal evaluation and testing purposes ("Trial Period").
- **Duration**: The Trial Period shall last for 7 calendar days from the date of the trial license issuance, unless extended in writing by Licensor.
- **Restrictions**: Licensee strictly agrees NOT to use the Software during the Trial Period in a Production Environment or for any active commercial operations.
- **No Warranties:** During the Trial Period, the Software is provided strictly "AS IS" without any warranties, support services, or liabilities of any kind from the Licensor.
- **Termination of Trial**: Upon expiration of the Trial Period, this temporary license automatically terminates. Licensee must either purchase a valid yearly subscription or immediately delete and uninstall the Installed Instance from all servers.

5. RESTRICTIONS

Licensee shall not, directly or indirectly:

- Exceed the total number of authorized Installed Instances purchased under the applicable Order Form.
- Reverse engineer, decompile, disassemble, or attempt to derive the source code of the Software.
- Rent, lease, sublicense, resell, or distribute the Software, or use it to provide hosted managed services (MSP) or Software-as-a-Service (SaaS) to third parties without prior written consent from Licensor.
- Use the Software for any illegal purpose or in violation of any applicable laws.

6. AUDIT AND COMPLIANCE VERIFICATION

- **Right to Audit:** Licensor reserves the right, upon 5 (five) business days' prior written notice, to audit Licensee’s server and cloud environments to verify compliance with the "per installed instance" metric.

- **Technical Verification:** The Software may contain automated technical mechanisms that communicate with Licensor's servers to report the number of active Installed Instances solely for license validation and compliance purposes.

7. INTELLECTUAL PROPERTY & OWNERSHIP

- Licensor retains all right, title, and interest, including all worldwide intellectual property rights, in and to the Software. The Software is licensed, not sold, to Licensee.

8. GOVERNING LAW AND JURISDICTION

- **Governing Law:** This Agreement, its interpretation, and any disputes arising out of or in connection with it shall be governed by and construed in accordance with the substantive laws of the **Republic of Kazakhstan**.
- **Dispute Resolution:** Any dispute, controversy, or claim arising out of this Agreement shall first be subject to amicable negotiations. If a resolution is not reached within 30 days, the dispute shall be submitted to the competent courts at the City of Astana, Republic of Kazakhstan.

9. LIMITATION OF LIABILITY

- To the maximum extent permitted by the applicable laws of the Republic of Kazakhstan, Licensor's total cumulative financial liability for all claims arising under this Agreement shall be strictly capped at the amount actually paid by Licensee for the current annual Subscription Term. Licensor shall not be liable for any indirect, incidental, or consequential damage (including loss of data or business interruption, loss of profits).
- Third-Party Software: Licensor shall not be liable for any damage, malfunction, data loss, service interruption, or other adverse effect affecting or arising from any third-party software, platform, system, plugin, connector, or component used in conjunction with the Software, including Splunk, Fledge, and Fledge plugins. Licensee acknowledges that the Software may interact with or depend on third-party software and components, which are provided and maintained by their respective owners or licensors

10. Disclaimer of Warranties

- THE SOFTWARE IS PROVIDED "AS IS" AND "AS AVAILABLE," WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND. LICENSOR DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.
